CO-CURRICULAR ACTIVITIES

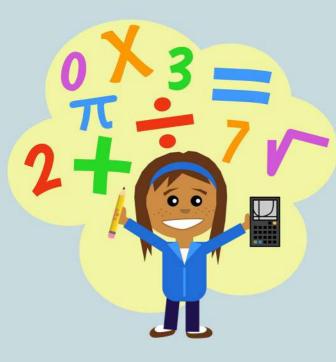

ACADEMIC YEAR 2025-26

Co-curricular activities (CCA) at Galileo International School are integral to the holistic growth of students, complementing the academic curriculum enriching their overall development. These activities provide a dynamic platform for students to explore and showcase their talents, fostering creativity and skill enhancement. Beyond academics, they contribute significantly to personality development, nurturing essential social, emotional, and physical attributes. By engaging in various co-curricular pursuits, students cultivate invaluable life skills such teamwork, communication, and leadership. Participation also bolsters self-confidence and sharpens decision-making abilities, helping students discover their interests and passions. Ultimately, these experiences shape well-rounded individuals, preparing them for success in all aspects of life.

The CCA activities are provided to the students through various houses and clubs
